Dying people reveal the advice everyone should live by ...

"Everyone dies, but no one is dead," goes the Tibetan saying. It is with these words that Advice on Dying takes flight. Using a seventeenth-century poem written by a prominent scholar-practitioner, His Holiness the Dalai Lama draws from a wide range of traditions and beliefs to explore the stages we all go through when we die, which are the very same stages we experience in life when we go to sleep, faint, or reach orgasm (Shakespeare's "little death").

Advice On Dying: And living well by taming the mind: Lama ...

Advice on Dying BY Dalai Lama It is crucial to be mindful of death -- to contemplate that you will not remain long in this life. If you are not aware of death, you will fail to take advantage of this special human life that you have already attained. It is meaningful since, based on it, important effects can be accomplished.
