manual for it. I've found 2 for Type 122 but seems like they are for 96 and 95'.

## Aprilia RS

This final two-stroke RS125 received a few very small technical changes but was essentially unaltered until

emissions laws killed it off in 2012. Over the years there have been various race rep paint schemes such as the Chesterfield, Banacia and 'Spain's No1' as well as the traditionally lurid stock Aprilia colours!
