Base Nation is an essential contribution to that debate. U.S. MILITARY BASES ABROAD, 2015. As of 2015, the United States controlled approximately 800 bases outside the fifty U.S. states and Washington, D.C. The sheer number of bases as well as the secrecy and lack of transparency of the overseas base network make any graphic depiction challenging.

Base Nation by David Vine | American Empire Project  
More than two decades after the end of the Cold War and nearly three-quarters of a century after the last battles of World War II, the United States still stations troops at some eight hundred locations in foreign lands. These bases are usually taken for granted or overlooked entirely, a little-noticed part of the Pentagon's vast operations.

David Vine's book "Base Nation" - DAVID VINE  
But in an eye-opening account, Base Nation shows that the worldwide network of bases brings with it a panoply of ills—and actually makes the nation less safe in the long run. As David Vine demonstrates, the overseas bases raise geopolitical tensions and provoke widespread antipathy towards the United States.
