## **British Goblins: Welsh Folk-lore, Fairy Mythology, Legends ...**

In British Goblins (1880) Wirt Sikes, the United States consul to Cardiff from 1876 to 1883, describes the mythology and legends of Wales, a land steeped in folklore. (Considering its geographic focus, why the book is not simply called Welsh Goblins remains a mystery.) The first section of the book concerns the fairies, which are known as “y Tylwyth Teg” in Welsh, meaning the fair folk or family.

British Goblins, written in 1880, does a good job at its stated purpose- collecting and loosely categorizing Welsh Folklore of every category, ranging from the reasons behind certain customs and superstitions of daily life, to descriptions and associated stories of various faeries, goblins, and giants, to descriptions of apparitions and the view of the afterlife, to more fantastic things, like dragons, standing stones, and magic wells and stones.

British Goblins Welsh Folk-lore, Fairy Mythology, Legends and Traditions by Wirt Sikes [1880]

## **British Goblins: Welsh Folk-lore, Fairy Mythology, Legends ...**

The title should be Welsh Fairy Lore, since that is the subject. And it is old, first published in 1880, so the work is untouched by results of recent folklore studies. But it is a very good read, with a lot of interesting and well told stories.

Famed among British goblins are those fairies which are immortalised in the Tale of Elidurus. This tale was written in Latin by Giraldus Cambrensis (as he called himself, after the pedantic fashion of his day), a Welshman, born at Pembroke Castle, and a hearty admirer of everything Welsh, himself included.

Their food is specified in Welsh folk-lore as fairy butter and fairy victuals, ymenyn tylwyth teg and bwyd ellyllon; the latter the toadstool, or poisonous mushroom, and the former a butter-resembling substance found at great depths in the crevices of limestone rocks, in sinking for [Pg 14] lead ore. Their gloves, menyg ellyllon, are the bells of the digitalis, or fox-glove, the leaves of which are well known to be a strong sedative.

The Ellyllon are small elves that are considered to be smaller in size than the typical Tylwyth Teg. They reside in hidden groves and valleys. They are known for wearing gloves made from the bells of the foxglove flower, whose leaves are known in traditional medicine as a potent sedative. According to folklore, the Ellyllon are known for eating certain kinds of fungi.
