CLOSING THE FEEDBACK LOOP - TI.com

At the most basic level, the goal of closing the loop is to let your clients know that their feedback was successfully received and considered. Organizations that implement tangible changes based on feedback should prioritize sharing what specifically was done in response to feedback.

Closing the Feedback Loop: How to Just Do It – Feedback Labs

Closing the Feedback Loop Feedback is a great way to understand what your weaknesses and strengths are in a business. What many businesses don't do, however, is close the feedback loop. This isn't surprising considering that 42% of companies don't even bother to capture feedback in the first place, but this is a mistake.

Closing the Feedback Loop, Turning Data into Action ...

For us, closing the loop specifically means organizations sharing back with clients what they heard and stating what they are doing about the feedback received. While this may feel like a relatively small step, closing the loop in a thoughtful and purposeful way is a critical differentiator from what most nonprofits, and frankly most organizations, do today.
