two pages of stickers to use. Inside the front and back covers are press-out play pieces that little fingers can use to build their very own dazzling digger!

Buckle up and start the engine to learn all about trucks! Tough Trucks follows the animal gang as they become truckers, rubbish collectors and construction workers. Each page is filled with details that machine-mad kids will love: the truck cabs, semitrailers, concrete mixers, tankers and more! From aeroplanes to fire engines, the internationally bestselling Amazing Machines series is the perfect way for preschoolers to learn about all sorts of vehicles! Each book introduces a new vehicle and the many jobs it can do. Bright, engaging artwork and simple, rhyming text combine to make these fantastic books for young children. Kids will love getting to know the friendly, animal characters who feature throughout the series and reading about their fast-paced adventures! There is also a page at the back of each book that features an amazing, annotated machine to teach kids all of the different vehicle parts.

Simple text and photographs present concrete mixers and the work they do.

From rubbish trucks to concrete mixers, from tippers to tankers, this jolly picture book includes all different types of trucks. Machine-mad pre-schoolers can go along on a fantastic truck ride, learning about where the drivers eat and sleep while they are on the road. An audio CD attached to the inside back cover allows children to listen to the story and follow along with page turn cues.

These dot-to-dots give truck-loving kids a ticket to ride! Each picture presents a hard-working construction vehicle, accompanied by information on what it is, what it does, and why it's so interesting. They range from a bulldozer to a cherry-picker and from a cement mixer with an enormous barrel to an excavator that features a giant arm with a jointed bucket on the end. Examine a forklift that can raise a pallet over 23 feet high--tall enough to go right into the second floor of a new building. Imagine driving a super-modern, clean-air hauler that can carry big loads and dump them out with accuracy. Every machine is fascinating and fun.
