Empathy | Roman Krznaric

Empathy is the ability to sense and understand (at some level) other people's emotions. Sometimes, to me, it feels like my empathy is a real weakness. But empathy, in the workplace especially, is a strength. It's my empathy that allows me to intuitively sense a customer's problem and immediately suggest solutions.

Empathy at Work—Why it (Really) Matters | Career Contessa

Why Empathy Matters Krznaric argues that our ability to empathise with others is a core driver of human social connection and bonding. Without the ability to step into the shoes of another, we would not understand each other, nor would we feel the bond of common humanity that can motivate us to care for and help each other.
