Interchangeable Car Parts: Auto Parts Interchange Lookup
In car tuning culture, an engine swap is the process of removing a car's original engine and replacing

Download Ebook Engine Parts Interchange Guide

it with another. This may be a like-for-like replacement, or to install a non-factory specification engine. Typically an engine swap is performed for performance, swapping-in a more powerful engine; however, an engine swap may also be performed for

Download Ebook Engine Parts Interchange Guide

maintenance, where older engines may have a shortage of spare parts, and so a modern replacement may be more easily and cheaply maintained.

Swapping
