This textbook examines
empirical linguistics
from a theoretical

Online Library

English Audio

linguist's perspective. It provides both a theoretical discussion of what quantitative corpus linguistics entails and detailed, hands-on, step-by-step instructions to implement the techniques in the field. The statistical methodology and R-based coding from this book teach readers the basic and then more

Online Library

English Audio

Advanced skills to work with large data sets in their linguistics research and studies. Massive data sets are now more than ever the basis for work that ranges from usage-based linguistics to the far reaches of applied linguistics. This book presents much of the methodology in a corpus-based approach. However, the corpus-

Online Library English Audio

General methods in this book are also essential components of recent developments in sociolinguistics, historical linguistics, computational linguistics, and psycholinguistics. Material from the book will also be appealing to researchers in digital humanities and the many non-linguistic

Online Library English Audio

fields that use textual data analysis and text-based sensorimetrics. Chapters cover topics including corpus processing, frequencing data, and clustering methods. Case studies illustrate each chapter with accompanying data sets, R code, and exercises for use by readers. This book may be used in advanced

Online Library English Audio

undergraduate courses,
graduate courses, and
self-study.

The model of English that should be used in classrooms has long been a subject of debate. This book (with an accompanying audio CD) describes selected varieties of World Englishes, and discusses the advantages and

Online Library

English Audio

disadvantages of selecting a particular variety from the point of view of both teachers and learners. It aims to examine and re-evaluate concepts such as 'standard', 'variety', 'native speaker' and 'non-native speaker', and to validate the role played by multilingual and multicultural English language teachers,

Online Library

English Audio

arguing that context and learner needs should determine the variety to be taught.

Gives background to the business learner's world and strategies for approaching the training task, focusing on the learner's professional knowledge and

Online Library English Audio

General. This book is suitable for teachers, trainers, and course organizers in the field of Business English or considering a move into it.

Objective Key offers students complete, official preparation for the Cambridge English: Key (KET) exam. This Practice Test Booklet

Online Library English Audio

contains two tests for Cambridge English: Key for Schools with answers. It may be used alongside Objective Key to prepare for the Key for Schools test. The Audio CD contains the recordings for the listening paper.
