Product Information. Bengali, an official language of Bangladesh and India, is the seventh most-spoken language in the world, with nearly 230 million total speakers.

[Bengali \(Bangla\)-English/English-Bengali \(Bangla\)...](#)

Bengali places its verbs either at or near the end of sentences. In English, verbs are usually somewhere in the middle-following the subject, and before the object. In addition, verb negations go after the verb in Bengali. For example, to use Bengali-style word order in English, we'd say something like, "We this sentence understand not."
