English for Tourism and Hospitality in Higher Education Studies The Garnet Education English for Specific Academic Purposes series won the Duke of Edinburgh English Speaking Union English Language Book Award in 2009. English for Tourism and Hospitality is a skills-based course designed specifically for students of tourism and hospitality who are about to enter English-medium tertiary level studies. It provides carefully graded practice and progression in the key academic skills that all students need, such as listening to lectures and speaking in seminars. It also equips students with the specialist language they need to participate successfully within a tourism and hospitality faculty. Extensive listening exercises come from tourism and hospitality lectures, and all reading texts are taken from the same field of study. There is also a focus throughout on the key tourism and hospitality

vocabulary that students will need. The Teacher's Book includes: Comprehensive teaching notes on all exercises to help teachers prepare effective lessons Complete answer keys to all exercises Full transcripts of listening exercises Facsimiles of Course Book pages at the appropriate point in each unit Photocopiable resource pages and ideas for additional activities The Garnet English for Specific Academic Purposes series covers a range of academic subjects. All titles present the same skills and vocabulary points. Teachers can therefore deal with a range of ESAP courses at the same time, knowing that each subject title will focus on the same key skills and follow the same structure. Key Features Systematic approach to developing academic skills through relevant content. Focus on receptive skills (reading and listening) to activate productive skills (writing and speaking) in subject area. Eight-page units combine language and academic skills teaching. Vocabulary and academic skills bank in each unit for reference and revision. Audio CDs for further self-study or homework. Ideal coursework for EAP teachers.

English for Tourism and Hospitality in Higher Education Studies The Garnet Education English for Specific Academic Purposes series won the Duke of Edinburgh English Speaking Union English Language Book Award in 2009. English for Tourism and Hospitality is a skills-based course designed specifically for students of tourism and hospitality who are about to enter English-medium tertiary level studies. It provides carefully graded practice and progressions in the key academic skills that all students need, such as listening to lectures and speaking in seminars. It also equips students with the specialist language they need to participate successfully within a tourism and hospitality faculty. Extensive listening exercises come from tourism and hospitality lectures, and all reading texts are taken from the same field of study. There is also a focus throughout on the key tourism and hospitality vocabulary that students will need. Listening: how to understand and take effective notes on extended lectures, including how to follow the argument and identify the speaker's point of view. Speaking: how to participate effectively in a variety of realistic situations, from seminars to presentations, including how to develop an argument and use stance markers. Reading: how to understand a wide range of texts, from academic textbooks to Internet articles, including how to analyze complex sentences and identify such things as the writer's stance. Writing: how to produce coherent and well-structured assignments, including such skills as paraphrasing and the use of the appropriate academic phrases. Vocabulary: a wide range of activities to develop students' knowledge and use of key vocabulary, both in the field of tourism and hospitality and of academic study in general. Vocabulary and Skills banks: a reference source to provide students with revision of the key words and phrases and skills presented in each unit. Full transcripts of all listening exercises. The Garnet English for Specific Academic Purposes series covers a range of academic subjects. All titles present the same skills and vocabulary points. Teachers can therefore deal with a range of ESAP courses at the same time, knowing that each subject title will focus on the same key skills and follow the same structure. Teaching English for Tourism initiates a sustained academic discussion on the teaching and learning of English to tourism professionals, or to students who aspire to build a career in the tourism industry. Responding to a gap in the field, this is the first book of its kind to explore the implications of research in English for tourism (EfT) within the field of English for specific purposes. This edited volume brings together teachers and researchers of EfT from diverse national and institutional contexts, focusing on connecting current research in EfT contexts to classroom implications. It considers a wide range of themes related to the teaching of EfT, including theoretical concepts, methodological frameworks, and specific teaching methods. The book explores topics relating to the impact of changing technologies, the need for cultural understanding, and support for writing development, among others. Teaching English for Tourism explores this growing area of English for specific purposes and allows for researchers and practitioners to share their findings in an academic context. This unique book is ideal reading for researchers, post-graduate students, and professionals working in the fields of English language teaching and learning.

A modular course for people who either work or plan to work in the tourism, hospitality and travel industries. The core language skills are developed through a range of work-related tasks. This second edition includes practice in writing emails and communication activities aimed specifically at busy professionals.

Service operations management in the tourism and hospitality industry requires a high level of coordination, communication and facilitation to satisfy visitors. In all of these activities, service excellence means a lot to visitors in terms of their experience, and to the business it means repeat customers and word-of-mouth marketing. Based on fresh empirical evidence from the field, this book captures the different approaches and challenges to service excellence in the Asian tourism and hospitality industry. Focusing on hotels, attractions, transport providers and other segments in tourism and hospitality, this book presents new case studies underlining and detailing global and local travel industry practices. The book is meant as a reference and supplementary reading for students,

researchers and industry practitioners.

The tourism industry is a multi-billion dollar enterprise, with more people from all cultures and nationalities choosing to spend their leisure time traveling and visiting new locations. To exploit this burgeoning market, tourism agencies must carefully consider the desires and goals of travelers from around the world. The Handbook of Research on Global Hospitality and Tourism Management contributes to the body of knowledge on travel and tourism by presenting a global view of the hospitality industry, including theoretical research into industry trends as well as case studies from around the world. This handbook provides travel agents, owner-operators, and students and researchers in the hospitality industry with the latest research, findings, and developments in the field. Within this handbook of cutting-edge research, readers will find chapters and cases on topics such as travel and tourism in a global economy; local, glocal, and international hospitality; challenges in environmental management; cultural cuisine; and destination management, among others.

"This book is a comprehensive source of information for those interested in tourism and hospitality management, approaches, and trends, and, covers the emerging research topics that will define the future of IT and cultural development in the 21st century"--Provided by publisher.

Globalization has made the world a village and thus, travelling has become a daily requirement of the masses. As the number of passengers increase day by day, the competition also swiftly mounts up. Therefore, it is the need of the hour to provide customers with best hospitality to thrive in this field. This text is made for students who are looking for a proper guide for this subject. It contains chapters and topics that discuss the new and improved developments in this area and also provide a deep knowledge of the past theories and concepts of the hospitality industry. This textbook will serve as a reference to a broad spectrum of readers.
