This is a bilingual (English/Korean) edition of Basic Grammar in Use (With Answers) Second Edition (0521626005) targeted at learners in Korea whose mother tongue is Korean and whose command of English is relatively weak. The classic In Use format remains, with explanation and examples on the left page followed by exercises on the right. As in the original, there are seven Appendices, Additional Exercises, a Study Guide and Answer Key. In the Korean Edition, grammatical explanation and terminology as well as selected example sentences (or parts of sentences) are translated on the left page. On the right page, exercise instructions are translated. There is a modest amount of content adaptation, typically consisting of additional explanation or examples for grammar areas which are identified as a weak spot for Korean learners. The page dimensions and extent of the Korean Edition remain the same as the monolingual edition. The Korean Edition does not contain a CD. In keeping with many locally-produced Korean textbooks, the cover comes with a front and back fold-over flap. We envisage biographical information on the author and adapter on the front fold-over, and some marketing of related products to be placed on the back fold-over.

This is an adaptation of Essential Grammar in Use for Thai elementary learners.

English grammar: rules and usage is specially designed for learners of English as second or foreign language. This book is intended for undergraduate students who have little or no previous background in English grammar, students who need an introduction to English grammar as part of their curriculum in English or as preparation for teaching the language. This book can be used as a self-study book. Each grammatical rule is explained in simple English with several examples. This book is written in the classroom language so it can be used by a teacher to explain English grammar in the classroom. The relation between the concepts of English grammar and correct use of English is stressed in this book. Grammar can be learnt easily; it can be fun, so stop worrying, pick up this book and move ahead. This book will help you like a teacher, a guide. The features of this book include: ? A comprehensive index which makes it easy to use ? Simple step by step explanation of grammatical rules and patterns ? Practical examples ? Practical exercises ? List of collective nouns ? List of adjectives formed from nouns ? List of collocations with prepositions ? Lesson on spelling rules

"CD-ROM provides over 200 extra exercises to help you practice the grammar presented"--P. [3] of cover.

English Grammar: The Basics offers a clear, non-jargonistic introduction to English grammar and its place in society. Rather than taking a prescriptive approach, this book helps the reader become aware of the social implications of choices they make to use standard or non-standard (regional/dialect) forms. Readers will consider: • what grammar is and how it fits into the structure of language; • how grammar functions in the school curriculum, the press, broadcasting and social media, as well as how these outlets reflect and reinforce our attitudes towards grammar; • differences between speech and writing, as well as between formality and informality; • major different approaches to theorising and describing grammar from important grammarians, including Noam Chomsky and Michael Halliday. Featuring a glossary of key terms and practical tips and insights from the author's 50+ years of language teaching experience around the world, this book is for anyone who has ever found themselves questioning the 'rules' of the English language.

Grammar in Use Intermediate is a highly successful grammar text known for its clear, concise explanations and innovative format. The Grammar in Use Intermediate Third edition Workbook provides students with further opportunities to practice difficult grammar points and consolidate their understanding of related topics covered in Grammar in Use Intermediate Third edition. It offers a wide range of challenging activities and opportunities to work with grammar structures in meaningful contexts. This edition, without answers, is ideal for classroom use.

Essential Grammar in Use is available with a promotional bonus extra CD-ROM. The CD-ROM contains: \* over 150 interactive grammar questions \* instant scoring and feedback \* electronic study guides for students to check their level \* printable grammar reference pullout panels \* introduction to the range of Cambridge Learner's Dictionaries

English Grammar in Use is a unique combination of reference grammar and practice book for intermediate students (including both lower and upper-intermediate). Designed as a self-study book, it will enable learners to select and study at their own speed those grammar points which they find confusing and want to clarify. All the traditional grammar problems which intermediate students encounter e.g. tenses, modals, prepositions etc., are thoroughly covered. The page layout of each unit makes for ease of use, with the grammar point explained on the left-hand page and exercises to practise it on the right-hand page. There are 130 units in all, and a contents list and detailed index ensure that students can easily find the units they need.

"English Grammar in Use - Practical Exercises: Gerunds and Infinitives" offers extensive training in the English gerund and infinitive structures for upper-intermediate and advanced learners. It is designed to enhance not only overall language proficiency but also awareness of the subtleties of both gerund and infinitive use. The volume contains four types of exercises, including sentence transformations (with key words, and with sentence beginnings), verbs in brackets (on both sentence level and text level) and error detection and correction. All the exercises are accompanied with a complete key. The publication follows British English language standards.

This book is intended for teachers of English.
