FINANCIAL ACCOUNTING: TOOLS FOR BUSINESS DECISION MAKING, By Paul D. Kimmel in Books, Nonfiction | eBay

The new eighth edition of Financial Accounting: Tools for Decision-Making, Canadian Edition by Kimmel, Weygandt, Kieso, Trenholm, Irvine and Burnley continues to provide the best tools for both instructors and students to succeed in their introductory financial accounting class. It helps students understand the purpose and use of financial accounting, whether they plan to become accountants or whether they simply need it for their personal life or career. The book's unique, balanced procedural and conceptual (user-oriented) approach, proven pedagogy and breadth of problem material has made Financial Accounting the most popular introductory text in Canada. This hands-on text, paired with a powerful online teaching and learning environment offers students a practical set of tools for use in making business decisions based on financial information.

Students get accounting when using Kimmel Financial Accounting with WileyPLUS (access to WileyPLUS is not included with this textbook) because we make learning accounting easy and accessible for today's different types of learners. Written in a concise, clear, and conversation

way, Kimmel Financial Accounting provides just the right amount of information students need to come to class prepared, while powerful visuals and Interactive Tutorials make complex accounting concepts possible to absorb quickly. Starting with the big picture of financial statements first, Paul Kimmel shows students why financial accounting is important to their everyday lives, business majors, and future careers. This best-selling financial accounting text is known for the most relevant and easy to understand examples, while teaching students the accounting cycle through the lens of one consistent story of Sierra Corp, an outdoor adventure company.

Now in its Fourth Edition, Kimmel, Weygandt, and Kieso's Financial Accounting: Tools for Business Decision Making has been tested and approved in the classroom. Whether you measure classroom success by improved grades, students who are better prepared for the Intermediate course and their future careers, or by student evaluations at the end of the semester, Financial Accounting delivers real results. "If you are teaching a debit/credit centered financial accounting principles class there is not a better written or organized text. Believe me I have looked. The supporting materials for instructors [are] also terrific." --Nancy Snow, University of Toledo "The textbook is well written with good examples and homework problems. This book is easy to understand, but is rigorous in its coverage of accounting issues." --Paul Brazina, La Salle University, Philadelphia "Best presentation of material in the industry. In addition, Financial, Managerial and Intermediate all flow together for greater coverage and comprehension." --Vince Enslein, Clinton Community College Key Features * WileyPLUS gives instructors the technology they need to create an environment where students can reach their full potential and experience academic success.

www.wiley.com/college/wileyplus * New Accounting Across the Organization features place accounting issues within the context of students' majors. * Updated with expanded content on Sarbanes-Oxley and Corporate Governance. * New Comprehensive Problems combine concepts across chapters. * A new Continuing Cookie Chronicle problem traces the growth of an entrepreneurial venture and enables students to apply their newly acquired accounting skills. * Identifies the tools students will need to make real business decisions. * Provides balanced coverage of the accounting cycle at a level that is appropriate to what students need in the business world. * Emphasizes the accounting experiences of real high-profile companies, such as Tootsie Roll, Microsoft, Nike, and Intel.

This successful book continues to provide accountants with an understanding of the fundamental concepts necessary to use accounting effectively. The sixth edition offers new discussions on IFRS, including new codification numbers, examples of IFRS financial statements, and additional exercises. A look at more recent frauds such as the Bernie Madoff scandal have been added. Enhanced discussions of ethics and international accounting are presented. The coverage of non-cash items and their impact on decision making has been expanded. In addition, comprehensive case studies and problems help accountants tie the material together.

This package includes a copy of ISBN 9781118162286 and a registration code for the WileyPLUS course associated with the text. Before you purchase, check with your instructor or review your course syllabus to ensure that your instructor requires WileyPLUS. ALERT: The Legacy WileyPLUS platform retires on July 31, 2021 which means the materials for this course will be invalid and unusable. If you were directed to purchase this product for a course that runs after July 31, 2021, please contact your instructor immediately for clarification. There are two WileyPLUS platforms for this title, so please note that you should purchase this version if your course code is a 6 digit numerical code. This package includes a loose-leaf edition of Financial Accounting: Tools for Business Decision Making, 9th Edition, a WileyPLUS registration code, and 6 months access to the eTextbook (accessible online and offline). For customer technical support, please visit <http://www.wileyplus.com/support>. WileyPLUS registration cards are only included with new products. Used and rental products may not include valid WileyPLUS registration cards. Financial Accounting: Tools for Business Decision Making, Ninth Edition, provides a simple and practical introduction to financial accounting. It explains the concepts students need to know, while also emphasizing the importance of decision making. In this new edition, all content has been carefully reviewed and revised to ensure maximum student understanding. At the same time, the time-tested features that have proven to be of most help to students such as the student-friendly writing style, visual pedagogy, and the relevant and easy-to-understand examples have been retained.

Financial Accounting Sixth Canadian Edition and its supplement package is the only product that can deliver a unique balanced procedural and conceptual (user-oriented) approach, with a proven pedagogy and a breadth of problem material in an engaging manner giving students the opportunity to "get accounting" by "doing accounting". The authors worked tirelessly to create materials that engage students in the learning process, help them learn to learn, and at the same time bring to their attention the most current coverage of both sets of rapidly changing accounting standards, IFRS and ASPE.
