Bobbie Houston, co-pastor of Hillsong Sydney, told The Christian Post in an October 16, 2014, interview that, when it comes to women in leadership, “the church needs to come of age sometimes and just grow up.”

The SCM Studyguide: Liturgy, 2nd Edition is an introduction to liturgy that considers the basic 'buliding blocks' needed to grasp the subject area. It outlines the essential shape and content of Christian worship and explores a range of liturgical dynamics of which both students of liturgy and leaders of liturgy need to be aware. This 2nd edition of the popular Studyguide is fully revised, updated and expanded. The book takes account of new developments in scholarship, engages with new contexts for liturgical celebration (notably, fresh expressions as part of a mixed economy of church), encompasses recent revisions in liturgy and seeks to broaden the engagement beyond the British context to consider the wider global context.

Whether a person is searching for their calling or wholeheartedly pursuing their life's purpose, LIVE LOVE LEAD will help them navigate a faith path that is all their own and discover unique gifts tailored perfectly for their journey. How do people experience the best life that God intends for them? The answer lies in understanding that the Christian life is an adventure, and that they only have to follow the greatest Guide who ever walked the path of life--Jesus. In this straightforward book, Brian Houston shows readers the way to live fully, love completely, and lead boldly--the hallmarks of Jesus' time on earth.

Founder and Global Senior Pastor of Hillsong Church and author of LIVE LOVE LEAD shows how, with God's power, you can believe and achieve a life that exceeds every earthly expectation. When you surrender control and follow God's guidance, you become empowered and equipped to do the impossible, reach higher, and go further than you could have ever imagined--giving Him all the glory. By building our lives around godly principles, surrounding ourselves with wisdom, and living for a cause greater than ourselves, we can effectively live out God's purposes and have an enduring impact. As Brian Houston has personally discovered, when we depend on Jesus as the source for our identity, our lives can be a lasting legacy that maximize the gifts He has given each of us as unique individuals. There is More is for anyone who wants to be challenged to live with expectancy. Ephesians 3 is a call to release the immeasurable potential within you and the exceeding, abundant, and above plans and purposes of a Holy God that are beyond your greatest imagination. "Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us, to Him be glory in the church by Christ Jesus to all generations, forever and ever. Amen" (Ephesians 3:20-21).

Christians know that God loves them, but can easily feel that he is perpetually disappointed and frustrated, maybe even close to giving up on them. As a result, they focus a lot—and rightly so—on what Jesus has done to appease God’s wrath for sin. But how does Jesus Christ actually feel about his people amid all their sins and failures? This book draws us to Matthew 11, where Jesus describes himself as “gentle and lowly in heart,” longing for his people to find rest in him. The gospel flows from God’s deepest heart for his people, a heart of tender love for the sinful and suffering. These chapters take readers into the depths of Christ’s very heart for sinners, diving deep into Bible passages that speak of who Christ is and encouraging readers with the affections of Christ for his people. His longing heart for sinners comforts and sustains readers in their up-and-down lives.
