The same is, alas, all too true of many history essays. But if you've written a good opening section, in which you've divided the overall question into separate and manageable areas, your essay will not be muddled; it will be coherent. It should be obvious, from your middle paragraphs, what question you are answering.

~~How To Write a Good History Essay | History Today~~  
legal systems essay plan the rules of statutory interpretation are not really rules; but are rather approaches that result in considerable judicial discretion.
