[Writing to raise money takes more than a few choice words. Highly profitable communications use a wide array of "trade secrets" to boost response. Things like emotional triggers, a working knowledge of reader psychology, the discovery of eye motion studies, and donor research - all help writing pros reap big rewards from their appeal letters, newsletters, websites, case statements, and more. Now these trade secrets are yours, collected in one easy-to-understand volume: How to Write Fundraising Materials that Raise More Money - The Art, the Science, the Secrets. Author Tom Ahern is recognized as one of North America's leading experts on effective communications. His workshops are in hot demand. Last year he released a first-of-its-kind book on moneymaking donor newsletters. Now, in his new book, Ahern reveals all: how top fundraising writers inspire their prospects to make that first gift - and how they keep existing donors loyal and generous. Raising more money through words, via the printed page or online, is no accident. But anyone can do it well: you don't need special writing talent. All you need is this essential guide to best practices in the fundraising industry.](#)

"Every entrepreneur thinking about jumping into the wild world of crowdfunding needs to read this." -J. Jennings Moss, Editor, Portfolio.com](#)

[This is a relatively short, but very powerful book full of fundraising ideas and insights on how to raise money. Most entrepreneurs struggle when it comes to raising money. Over time I have accumulated different practical strategies for how to raise money for a business, and I explain all of them in this book. This book evolved out of my business coaching practice and my Problemio.com business apps I created. The apps have over 500,000 downloads across iOS and Android by entrepreneurs just like you. As entrepreneurs kept asking how to raise money for their business, I kept researching new ways to raise money. In this book I compiled 10 great ways to raise money for almost any business or nonprofit organization. Not all the fundraising strategies outlined in this book will work for everyone. But many of the strategies should be very possible for most businesses. Additionally, this book goes beyond fundraising strategies. It also covers fundamentals of how much money you need to raise, and helps you understand the fundraising ecosystem, and what various strategies can mean for your business. HOW MUCH MONEY YOU NEED TO RAISE Before the book starts suggesting specific strategies, you must first understand how much money you need to raise for your business. The book explains how to calculate how much money you will need to raise so that you can structure your fundraising plans to reach your goals. STANDARD FUNDRAISING IDEAS First, I cover some common fundraising strategies like how to raise money by getting loans, grants, investments and donations. These four broad strategies are common, but most entrepreneurs don't know enough about how to get the most out of these strategies. Additionally, while people have been raising money by getting donations for a long time, there is a relatively new way to raise donations, and that is a method called crowdfunding. I explain crowdfunding strategies in the book, and give a number of tips for how to get the most out of it for your business, and what you can realistically expect. CREATIVE FUNDRAISING IDEAS Once you explore the standard ways to raise money, the book presents you with a number of creative fundraising strategies where you should use your creativity and resourcefulness to get the funds you need. I sincerely hope this collection of fundraising strategies helps you and I wish you the best of luck with your business. In addition to that, since it is difficult to raise money, the book also covers how to start your business cheaply so that you don't actually need to have as much cash to start your business as you think.](#)

[How to Raise Money for Political Office will teach you how to gain a significant financial advantage over your opponent by letting you in on the secrets most paid political consultants don't want you to know. ["A comprehensive guide to raising money written for volunteers and staff who aren't necessarily professional fundraisers. Containing insights and stories from a team of nonprofit experts, this book covers both the practical and the fun, creative aspects of fundraising"--Provided by publisher.](#)

[Renowned securities attorney Kim Lisa Taylor provides the keys to legally raising money from private investors - whether for real estate or other small business. She provides a simple step-by-step format to teach you to](#)

not only raise money, but to do it legally. You'll learn how to raise all the money you need for your next venture, whether it's funding a real estate acquisition, a new idea, a product or a service - all while keeping control of your business. Some call this driver's ed for raising capital, because once you know the rules of the road and how to drive, it becomes second nature. So it is with raising capital. This book will help teach you to structure deals with investors and legally raise funds for any venture. With this knowledge, you can change your life and the lives of those who matter - family, friends, and new investors you'll meet along your journey. What are you waiting for? In this book you will learn: How to Comply with Securities Laws; How to Effectively Market Your Offering; How to Legally Ask Investors for Money; How to Structure Your Company; and How You Can Earn Money While Helping Your Friends, Family, and Acquaintances Meet Their Investment Goals. You can use these strategies over and over to Raise Private Money Legally, Ethically, and Profitably.
