Finn." This is a very short handbook and is approximately 900 words long. It contains ONLY discussion questions. BookCap Study Guides do not contain text from the actual book, and are not meant to be purchased as alternatives to reading the book. This study guide is an unofficial companion and not endorsed by the author or publisher of the book. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.

The classic boyhood adventure tale in a beautiful Deluxe Edition illustrated by Lilli Carre Mark Twain's tale of a boy's picaresque journey down the Mississippi on a raft conveyed the voice and experience of the American frontier as no other work had done before. When Huck escapes from his drunken father and the 'sivilizing' Widow Douglas with the runaway slave Jim, he embarks on a series of adventures that draw him to feuding families and the trickery of the unscrupulous 'Duke' and 'Dauphin'. Beneath the exploits, however, are more serious undercurrents - of slavery, adult control and, above all, of Huck's struggle between his instinctive goodness and the corrupt values of society, which threaten his deep and enduring friendship with Jim. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

“ [A] winningly obsessive history of our relationship with underground places ” (The Guardian), from sacred caves and derelict subway stations to nuclear bunkers and ancient underground cities—an exploration of the history, science, architecture, and mythology of the worlds beneath our feet NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR When Will Hunt was sixteen years old, he discovered an abandoned tunnel that ran beneath his house in Providence, Rhode Island. His first tunnel trips inspired a lifelong fascination with exploring underground worlds, from the derelict subway stations and sewers of New York City to sacred caves, catacombs, tombs, bunkers, and ancient underground cities in more than twenty countries around the world. Underground is both a personal exploration of Hunt ’ s obsession and a panoramic study of how we are all connected to the underground, how caves and other dark hollows have frightened and enchanted us through the ages. In a narrative spanning continents and epochs, Hunt follows a cast of subterraneaphiles who have dedicated themselves to investigating underground worlds. He tracks the origins of life with a team of NASA microbiologists a mile beneath the Black Hills, camps out for three days with urban explorers in the catacombs and sewers of Paris, descends with an Aboriginal family into a 35,000-year-old mine in the Australian outback, and glimpses a sacred sculpture molded by Paleolithic artists in the depths of a cave in the Pyrenees. Each adventure is woven with findings in mythology and anthropology, natural history and neuroscience, literature and philosophy. In elegant and graceful prose, Hunt cures us of our “ surface chauvinism, ” opening our eyes to the planet ’ s hidden dimension. He reveals how the subterranean landscape gave shape to our most basic beliefs and guided how we think

about ourselves as humans. At bottom, *Underground* is a meditation on the allure of darkness, the power of mystery, and our eternal desire to connect with what we cannot see. Praise for *Underground* “ A mesmerizingly fascinating tale . . . I could not stop reading this beautifully written book. ” —Michael Finkel, author of *The Stranger in the Woods* “ Few books have blown my mind so totally, and so often. In Will Hunt ’ s nimble hands, excursion becomes inversion, and the darkness turns luminous. There are echoes of Sebald, Calvino, and Herzog in his elegant and enigmatic voice, but also real warmth and humor. . . . An intrepid—but far from fearless—journey, both theoretically and terrestrially. ” —Robert Moor, *New York Times* bestselling author of *On Trails*
