Wrongly Convicted Persons

infamously, “innocent”—from Mary, Queen of Scots, to Alfred Dreyfus, from Leo Frank to the Scottsboro Boys, from Dr. Sam Sheppard to Anthony Porter, from Joan of Arc to Lindy Chamberlain, as well as hundreds of other cases. Unequaled in depth and breadth of coverage, “I Am Innocent!” graphically details by category—including such as perjury, railroading, framing, suppression of evidence, police and prosecutorial coercion, mistaken identity, and prejudicial publicity—how wrongly convicted persons were sentenced to prison...or the gallows. Over five hundred cases are included, as well as a comprehensive glossary of legal and law enforcement terms; an extensive list of movies based on wrongly convicted individuals; a complete bibliography; and a cross-referenced index.

#1 NEW YORK TIMES BESTSELLER • John Grisham’s first work of nonfiction: a true crime story that will terrify anyone who believes in the presumption of innocence. NOW A NETFLIX ORIGINAL DOCUMENTARY SERIES “Both an American tragedy and [Grisham’s] strongest legal thriller yet, all the more gripping because it happens to be true.”—Entertainment Weekly In the town of Ada, Oklahoma, Ron Williamson was going to be the next Mickey Mantle. But on his way to the Big Leagues, Ron stumbled, his dreams broken by drinking, drugs, and women. Then, on a winter night in 1982, not far from Ron’s home, a young cocktail

waitress named Debra Sue Carter was savagely murdered. The investigation led nowhere. Until, on the flimsiest evidence, it led to Ron Williamson. The washed-up small-town hero was charged, tried, and sentenced to death—in a trial littered with lying witnesses and tainted evidence that would shatter a man's already broken life, and let a true killer go free. Impeccably researched, grippingly told, filled with eleventh-hour drama, *The Innocent Man* reads like a page-turning legal thriller. It is a book no American can afford to miss. Praise for *The Innocent Man* “Grisham has crafted a legal thriller every bit as suspenseful and fast-paced as his bestselling fiction.”—*The Boston Globe* “A gritty, harrowing true-crime story.”—*Time* “A triumph.”—*The Seattle Times* BONUS: This edition includes an excerpt from John Grisham's *The Litigators*.

DNA exonerations have shattered confidence in the criminal justice system by exposing how often we have convicted the innocent and let the guilty walk free. In this unsettling analysis, Garrett examines what went wrong in the cases of the first 250 people exonerated by DNA testing, and proposes systemic reforms.
