question posed in the gospel story is heard as an interreligious inquiry. Yet studies of encounter across religious lines have largely been framed as the meeting of male leaders. What difference does it make when women's voices and experiences are the primary data for thinking about interfaith engagement?

# Read PDF Interfaith Thanksgiving Prayer

**Sermons** Motherhood as Metaphor draws on three historical encounters between women of different faiths: first, the archives of the Maryknoll Sisters working in China before World War II; second, the experiences of women in the feminist movement around the globe; and third, a contemporary interfaith dialogue group in Philadelphia.

# Read PDF Interfaith Thanksgiving Prayer

These sites provide fresh ways of thinking about our being human in the relational, dynamic messiness of our sacred, human lives. Each part features a chapter detailing the historical, archival, and ethnographic evidence of women's experience in interfaith contact through letters, diaries, speeches, and interviews of
