In 2011, the district was 129th. The editor describes the ranking as: "a ranking answers the question - which school districts do better than expectations based...

When Ella Karman debuts on the Social Stock Exchange, she finds out life as a high-profile " Influencer " isn't what she expected. Everyone around her is consumed by their rankings, in creating the smoke and mirrors that make them the envy of the world. But then Ella ' s best friend betrays her, her rankings tank, and she loses—everything. Leaving her old life behind, she joins Keystone, a secret school for thieves, where students are being trained to steal everything analog and original, because something—or someone—is changing history to suit their needs. Partnered with the annoyingly hot—and utterly impossible—Garrett Alexander, who has plenty of his own secrets, Ella is forced to return to the Influencer world, while unraveling a conspiracy that began decades ago. One wrong move and she could lose everything—again. The Keystone series is best enjoyed in order. Reading Order: Book #1 Keystone Book #2 Incognito

Flightsend is Charlie's new home, whether she likes it or not. Her mother sees it as an end to all that ' s gone so tragically wrong. They had been a proper family. Mum; her boyfriend, Sean; and Charlie, with a new baby sister on the way. But the baby died before she was born and everything changed. Gradually, Charlie ' s mother pushed Sean away, before resigning from her job and selling the house. Charlie is certain that the move to a ramshackle cottage, miles from anywhere, can only make things worse. She couldn ' t be more wrong. For Charlie ' s mum there ' s a new business and the fresh start that she knew she needed. And for Charlie there ' s a new job, new friends, a newly discovered talent for art, and new feelings for two very different men. It ' s a summer of beginnings, not ends; a summer that Charlie will never forget.

The fastest, easiest way to shift culture toward engagement and productivity Change Your Space, Change Your Culture is a guide to transforming business by rethinking the workplace. Written by a team of trail-blazing leaders, this book reveals the secrets of companies that discovered the power of culture and space. This insightful guide reveals what companies lose by viewing office space as something to manage or minimize. With practical tips and implementation details, the book helps the reader see that the workspace is, in fact, a crucial driver of productivity and morale. Change Your Space, Change Your Culture was born out of recent studies that expose truly outrageous "Oh, my God" realities: More than 70 percent of the workforce either hates their job or they are just going through the motions. Half of all office space is wasted. Those shattering facts exist because office space is generally regarded as "overhead" or "sunk cost." Most buildings today clearly communicate the low priority placed on people-friendly design. Poor workforce engagement is baked into the culture. This book provides guidance on turning this around, by rethinking and reshaping space to align with the way people work. Specifically, this book moves from the high-altitude view down to the details on how to: Discover the fastest, easiest and most cost-effective way to shift culture Add square footage by using space more effectively Boost employee engagement and vitality by the creative use of space Learn how space can become a powerful productivity tool We all know that design, space, and flow have a powerful effect on the human psyche. Our homes, museums, sports arenas, places of worship, and even airport terminals reveal that. Environment can inspire dread or enthusiasm, distraction or focus, collaboration or isolation. That's why the office must be

designed to inspire the desired culture and workflow – if it's not properly designed, no program, training or rules will be effective over time. Change Your Space, Change Your Culture is the practical guide to office space, the foundation of an engaging culture.
