Learning to Silence the Mind—OSHO Shop—Books

Silence and stillness is what you're aiming for, both physically and mentally. Now focus on the exhale. What are the sensations you feel as the air leaves your body? Again, take note of the pause between exhale and inhale, that momentary stillness and silence. Do this for a few minutes to allow your body and mind to relax deeper.

Learning to Silence the Mind-Wellness Through Meditation

Learning to Silence the Mind: Wellness Through Meditation Osho. The mind, says Osho, has the potential to be enormously creative in dealing with the challenges of everyday life, and the problems of the world in which we live. The difficulty, however, is that instead of using the mind as a helpful servant we have largely allowed it to become the ...

Learning to Silence the Mind-Wellness Through Meditation

Emotions drive thoughts, so to quiet the mind, we need to release the emotional energy within ourselves. This is not done by suppressing the emotions, ignoring them, or pretending they don't exist. In contrast, it is done by completely accepting them and allowing them to be without any attempts to change or control them.

How to Quiet Your Mind and Eliminate Stress in 4 Simple Steps

One of the twentieth century's greatest spiritual teachers will show you how to quiet your constant, worrying thoughts in Learning to Silence the Mind: Wellness Through Meditation. The mind, says Osho, has the potential to be enormously creative in dealing with the challenges of everyday life, and the problems of the world in which we live.

Learning to Silence the Mind-Wellness Through Meditation

Osho mentions the need of a virtual switch that can silence the mind for sometime, thereby giving it sometime to rest and rejuvenate. In Learning to Silence the Mind, Osho asks his readers to turn off their thinking switch once in a while, not by some exotic ritual but by understanding, watchfulness and meditation. A relaxed and calm mind is always sharper and will help in taking better decisions.
