Literary Brooklyn: The Writers of Brooklyn and the Story ...

For the first time, here is Brooklyn's story through the eyes of its greatest storytellers. Like Paris in the twenties or postwar Greenwich Village, Brooklyn today is experiencing an extraordinary cultural boom. In recent years, writers of all stripes—from Jhumpa Lahiri, Jennifer Egan, and Colson Whitehead to Nicole Krauss and Jonathan Safran Foer—have flocked to its patchwork of distinctive neighborhoods. But as literary critic and journalist Evan Hughes reveals, the rich literary life now flourishing in Brooklyn is part of a larger, fascinating history. With a dynamic mix of literary biography and urban history, Hughes takes us on a tour of Brooklyn past and present and reveals that hiding in Walt Whitman's Fort Greene Park, Hart Crane's Brooklyn Bridge, the raw Williamsburg of Henry Miller's youth, Truman Capote's famed house on Willow Street, and the contested streets of Jonathan Lethem's Boerum Hill is the story of more than a century of life in America's cities. Literary Brooklyn is a prismatic investigation into a rich literary inheritance, but most of all it's a deep look into the beloved borough, a place as diverse and captivating as the people who walk its streets and write its stories.

Literary Brooklyn is a prismatic investigation into a rich literary inheritance, but most of all it's a deep look into the beloved borough, a place as diverse and captivating as the people who walk its streets and write its stories.

"Eilis Lacey has come of age in small-town Ireland in the hard years following World War Two. When an Irish priest from Brooklyn offers to sponsor Eilis in America, she decides she must go, leaving her fragile mother and her charismatic sister behind. Eilis finds work in a department store on Fulton Street, and when she least expects it, finds love. Tony, who loves the Dodgers and his big Italian family, slowly wins her over with patient charm. But just as Eilis begins to fall in love, devastating news from Ireland threatens the promise of her future."--Provided by publisher.

Literary Miscellany is a breezy tour through the literature oftoday and yesterday, touching on many great classical literaryworks, movements, and trends. But don't fear that it's only forintellectuals—there's plenty here for the contemporary pleasurereader as well. Alex Palmer offers something for everyone, includinganswers to the following questions: What's the original bestseller? What authors introduced insults as a literary art form? Who burned the first book? Are writers more likely to be depressed than booksellers? How does a book become a movie? When did sex become part of literature? Most people don't know that the Bible gets credit for plenty oflines that were written by William Shakespeare or John Milton.In Literary Miscellany, learn how this happened. Also examine themore recent concept of "false memoirs," with a list of who liedabout what. And speaking of villains, was the devil the first badguy in print? Did his appearance lead to the inevitable self-helpbook? Or was that Oprah? This quirky work is filled with entertaining literary trivia fora unique perspective on writers' lives and inspirations, from thedrinks they imbibed to the books they penned. Delightfully illustrated,it will entertain casual readers and literary buffs alike.

Twenty original essays by Katie Roiphe, Susan Choi, Jonathan Lethem, Jennifer Egan, Emily Barton, Michael Thomas, and other authors pay tribute to Brooklyn and the unique quality, character, and diversity of the borough.

Reproduction of the original: The Book of Khalid by Ameen Rihani

The never-before-told story of Brooklyn's vibrant and forgotten queer history, from the mid-1850s up to the present day. ***An ALA GLBT Round Table Over the Rainbow 2019 Top Ten Selection*** ***NAMED ONE OF THE BEST LGBTQ BOOKS OF 2019 by Harper's Bazaar*** "A romantic, exquisite history of gay culture." —Kirkus Reviews, starred "[A] boisterous, motley new history...entertaining and insightful." —The New York Times Book Review Hugh Ryan's When Brooklyn Was Queer is a groundbreaking exploration of the LGBT history of Brooklyn, from the early days of Walt Whitman in the 1850s up through the queer women who worked at the Brooklyn Navy Yard during World War II, and beyond. No other book, movie, or exhibition has ever told this sweeping story. Not only has Brooklyn always lived in the shadow of queer Manhattan neighborhoods like Greenwich Village and Harlem, but there has also been a systematic erasure of its queer history—a great forgetting. Ryan is here to unearth that history for the first time. In intimate, evocative, moving prose he discusses in new light the fundamental questions of what history is, who tells it, and how we can only make sense of ourselves through its retelling; and shows how the formation of the Brooklyn we know today is inextricably linked to the stories of the incredible people who created its diverse neighborhoods and cultures. Through them, When Brooklyn Was Queer brings Brooklyn's queer past to life, and claims its place as a modern classic.

A Brooklyn love story, set to music: Kings County "crystallizes how it feels to be young and in love in New York City" (Stephanie Danler). It's the early 2000s and like generations of ambitious young people before her, Audrey Benton arrives in New York City on a bus from nowhere. Broke but resourceful, she soon finds a home for herself amid the burgeoning music scene in Williamsburg, Brooklyn. But the city's freedom comes with risks, and Audrey makes compromises to survive. As she becomes a minor celebrity in indie rock circles, she finds an unlikely match in Theo Gorski, a shy but idealistic mill-town kid who's struggling to establish himself in the still-patrician world of books. But then an old acquaintance of Audrey's disappears under mysterious circumstances, sparking a series of escalating crises that force the couple to confront a dangerous secret from her past. From the raucous heights of Occupy Wall Street to the comical lows of the publishing industry, from million-dollar art auctions to Bushwick drug dens, Kings County captures New York City at a moment of cultural reckoning. Grappling with the resonant issues and themes of our time—sex and violence, art and commerce, friendship and family—it is an epic coming-of-age tale about love, consequences, bravery, and fighting for one's place in an ever-changing world.

In Trinidad, in 1796, teenage Rosa Rendón quietly but purposefully rebels against typical female roles and behavior. Bright, competitive, and opinionated, Rosa sees no reason she should learn to cook and keep house—it is obvious her talents lie in running the farm she expects to be her birthright, despite her two older siblings. But as her homeland goes from Spanish to British rule, it becomes increasingly unclear whether its free black property owners—Rosa’s family among them—will be allowed to keep their assets, their land, and ultimately, their freedom. By 1830, Rosa is living among the Crow Nation in Bighorn, Wyoming with her husband, Edward Rose and family. Her son Victor has reached the age where he should seek his vision and become a man. But his path is blocked by secrets Rosa has kept hidden from him. So Rosa sets out to take him on a journey to where his story began and, in turn, retraces her own roots, those of a girl who forged her own way from the middle of the ocean to the grassy hills of a far-away land.

"An unexpected teenage pregnancy pulls together two families from different social classes, and exposes the private hopes, disappointments, and longings that can bind or divide us from each other. Moving forward and backward in time, [the] novel uncovers the role that history and community have played in the experiences, decisions, and relationships of these families, and in the life of the new child."--Publisher marketing.
