I wanted to post a service manual for Bravo 3 drives as I was looking for torque specs on prop nuts in the RBO Archives. I have noticed many posts lately with questions regarding information that is addressed in this manual. Wondering if you want to add this to the Archives for all to use.

~~Mercruiser Bravo 3 Service Manual #28 — Rinker Boat Company~~

I started out by obtaining the Mercruiser Bravo Service Manual, also called Service Manual #28. The copy I used to develop this page was dated June 2003. I don't really expect anything covered here has changed, but if anyone can provide a newer service manual, or advise me of any changes, I would definitely welcome that.
