Anticipate future claim levels, evaluate historical data, and establish relationships between health coverage levels using the Milliman Health Cost Guidelines—Reinsurance. These guidelines contain rating structures for reinsurance used with fee-for-service or managed care plans provided to commercial or Medicare enrollees.

### Health Cost Guidelines Suite | Milliman | Worldwide

what we refer to as a loosely managed health care system and a well-managed health care system. These are the endpoints of a spectrum of health-care-delivery systems. Loosely managed is similar to traditional fee for service, where there's very little management of utilization: no use of guidelines or any other incentives to
