Mitsubishi Manual Transmission Fluid

Manual Transmission Fluid (MTF) For smooth gear rotation and change, a sufficient quantity of manual transmission fluid is necessary. To avoid any potential mechanical problems and ensure reliable performance, MTF replacement of Mitsubishi Genuine Fluid is recommended with periodical maintenance schedules.

---

Transmission | Driveline - Mitsubishi Motors

An automatic transmission fluid of the same name is recommended for Mitsubishi vehicles with automatic transmissions. Changing manual transmission fluid is recommended to maintain a smooth transition between gears. Manual transmissions running dirty fluid often exhibit loud noises when shifting gears, and the gears eventually become damaged.

Mitsubishi Eclipse 420a Manual Transmission Fluid Fill Plug Location

The transmission fluid in a Mitsubishi should be changed between 15,000 and 30,000 miles, depending on your driving conditions. Since a transmission is more likely to undergo a hefty amount of strain in highly polluted areas, it is possible that thickened sludge and harmful particles would enter your transmission closer to the 15,000 mile-mark.

Start pouring the GL-4 manual transmission fluid through the fill hole until it runs out of the fill hole. Once the fluid comes out of the fill hole, the transmission is full. Remove the plastic tube from the fill hole and screw the fill plug back in. Tighten the fill plug with the ratchet and the 17mm socket.

---

## How Do You Put Transmission Fluid in an Eclipse ...

Mitsubishi has been developed sophisticated transmissions through years and it is critical that you add the exact type of transmission fluid stipulated by your owner's manual (typically in the back of the manual in a section titled Fluid Capacities.) When adding transmission fluid to your Outlander Sport, be sure to add it slowly as the transmission fluid capacity is reached quickly and it is difficult to remove excess fluid if you overfill. If you are having problems with the transmission ...

Add Transmission Fluid: 2011-2019 Mitsubishi Outlander ...

Manual Transmission Fluid Change Cost The average cost for a Mitsubishi Expo manual transmission fluid change is between \$76 and \$128. Labor costs are estimated between \$44 and \$56 while parts are priced between \$32 and \$72.
