Music Matters: A New Philosophy of Music Education by ...

Very briefly, the praxial philosophy offers an explanation of the nature and values of music. Based on this foundation, I go on to explain the nature and values of music education. I suggest that " multidimensional " captures the essence of this philosophy. In Music Matters I argue for a multidimensional concept of music and musical works, a multidimensional concept of musical understanding, a multidimensional concept of music ' s values in human life and a multiple approach to achieving ...
