Look out for Jojo ' s new book, Paris for One and Other Stories, available now. From the New York Times bestselling author of Me Before You and One Plus One, in an earlier work available in the U.S. for the first time, a surprising and moving romance set in an old-fashioned seaside town on the verge of unwelcome change Liza McCullen will never fully

escape her past. But the unspoiled beaches and tight-knit community of Silver Bay offer the freedom and safety she craves—if not for herself, then for her young daughter, Hannah. That is, until Mike Dormer arrives as a guest in her aunt ' s hotel. The mild-mannered Englishman with his too-smart clothes and distracting eyes could destroy everything Liza has worked so hard to protect: not only the family business and the bay that harbors her beloved whales, but also her conviction that she will never love—never deserve to love—again. For his part, Mike Dormer is expecting just another business deal—an easy job kick-starting a resort in a small seaside town ripe for development. But he finds that he doesn ' t quite know what to make of the eccentric inhabitants of the ramshackle Silver Bay Hotel, especially not enigmatic Liza McCullen, and their claim to the surrounding waters. As the development begins to take on a momentum of its own, Mike ' s and Liza ' s worlds collide in this hugely affecting and irresistible tale full of Jojo Moyes ' s signature humor and generosity.

This coming-of-age novel is the most reviewed, discussed, and recommended German language debut of the last decade, earning Strauss praise as "one of the greatest talents of his generation"--and also one of the most controversial.sial.

In der Epoche der Aufklärung dominierte das Ideal von Rationalität und logischem Verstand. Dies spiegelte sich auch in der Literatur wider - in Form einer gebändigten und nüchternen Sprache. Gegen dieses Verständnis der Dichtung wenden sich die Vertreter des Sturm und Drang wie Johann Gottfried Herder und Johann Wolfgang von Goethe: Ihnen ging es um Emotionalität statt Rationalität, um Entfesselung der literarischen Zauberkraft und um

Gefühlsüberschwang. Sieglinde Schulz zeigt, wie sich die neue Vorstellung von dichterischer Magie und Praxis im Feld der sich konsolidierenden deutschen Literatur durchzusetzen beginnt. Am poetischen Detail einzelner Gedichte, wie Goethes "Mailed", "Wandrer's Sturmlied" und "Mahomets Gesang", führt sie die neue Art zu dichten vor.

The three books of Horace's Odes were published in 23 BC and gained him his reputation as the greatest Latin lyric poet. This book provides the Latin text (from the Oxford Classical Text series) of the third book together with a new translation by David West which attempts to be close to the Latin while catching the flavour of the original. There is also a commentary which explains the poems aimed at students of Latin literature and Roman history, whether or not they know Latin.

Many early novels were cosmopolitan books, read from London to Leipzig and beyond, available in nearly simultaneous translations into French, English, German, and other European languages. In *Novel Translations*, Bethany Wiggin charts just one of the paths by which newness—in its avatars as fashion, novelties, and the novel—entered the European world in the decades around 1700. As readers across Europe snapped up novels, they domesticated the genre. Across borders, the novel lent readers everywhere a suggestion of

sophistication, a familiarity with circumstances beyond their local ken. Into the eighteenth century, the modern German novel was not German at all; rather, it was French, as suggested by Germans' usage of the French word Roman to describe a wide variety of genres: pastoral romances, war and travel chronicles, heroic narratives, and courtly fictions. Carried in large part on the coattails of the Huguenot diaspora, these romans, nouvelles, amours secrets, histoires galantes, and histories scandaleuses shaped German literary culture to a previously unrecognized extent. Wiggin contends that this French chapter in the German novel's history began to draw to a close only in the 1720s, more than sixty years after the word first migrated into German. Only gradually did the Roman go native; it remained laden with the baggage from its "French" origins even into the nineteenth century.

Nearly the last remaining member of Olivia Cattenach's family has just died overseas and left her overcome by grief. But when a soldier shows up at her ranch with a final message from her brother, she finds new purpose. Nathan Roldan is as formidable as they come. Bulging muscles and inked to boot, he looks like every bit the bad boy he claims to be. Except, under his shuttered gaze and behind his walls lies a gentle giant. Determined to carry out her brother's wishes, she chips away at Nate's layers and discovers more pain than any person should ever have to endure. And a passion she never dreamed was possible. He's not the hero she thinks he is...Nate's mistake got a fellow comrade killed, and a deathbed promise to take care of the guy's sister lands him in Wyoming with the hope of redemption. But he wasn't expecting...her. Beautiful, witty, and sweet, Olivia is everything he doesn't deserve. Born a nothing, he'll die a nothing. Though guilt is a living thing, temptation is too hard to resist.

Somehow, she's unleashing his restraint and unearthing feelings he buried long ago. He wants her. More, he's worried he needs her. She's trying to save him, but when she learns the truth, he'll lose the only happiness he's ever known. "An emotionally raw story with beautiful prose. A compelling read."~Katie Ashley, New York Times & USA Today Bestseller

Jake Djones' folks have gone missing and they could be anywhere in the world - at any time in history. For the Djones family have an astonishing secret. They belong to the History Keepers: a secret society which travels through the centuries to prevent evil enemies from meddling with history itself

New York Times Notable Book: “ An exceptional, assured debut [that] captures the zeitgeist of confused adolescents and a sick culture post-Columbine. ” —Hartford Courant A national bestseller that inspired a major motion picture, this chilling novel follows prep school dropout White Mike through the week between Christmas and New Year ’ s 1999, as he deals an alluring new drug to his privileged peers on Manhattan ’ s Upper East Side. The kids of Twelve have it all; Chris and Claude and Hunter and Laura have the best, and most, of everything, but are constantly looking for something more exotic, and more dangerous. But Twelve is not a coming-of-age story, because these kids never had a childhood—their parents are off on holiday in Bali or business in Brussels, leaving hired help to look the other way as the kids stay home alone in their multimillion-dollar town houses, partying, surrounded by drugs and sex—and, in the end, much worse. “ Renders Manhattan ’ s cosseted Upper East Side with both the casual authority of an insider and the wry distance of an
