In the heart of every woman is a longing to be deeply loved and treasured by another. While this is never fulfilled perfectly in our earthly relationships, believers are promised that heaven is a place of eternal joy with Jesus Himself, who has chosen his cherished Bride. In this ten-lesson study, women will grow to understand how human wedding traditions symbolize the ultimate marriage of Christ—the Bridegroom—and His beloved church. Through images of ancient wedding customs as women of the Bible would have celebrated them, the authors point out spiritual significance for today. Contemporary wedding stories further illustrate the promise of eternal life. As a woman prepares herself for the Bridegroom, she begins to discover an intimacy with Him greater than she ever imagined.

What you need to know to have the best birth experience for you. Drawing upon her thirty-plus years of experience, Ina May Gaskin, the nation’s leading midwife, shares the benefits and joys of natural childbirth by showing women how to trust in the ancient wisdom of their bodies for a healthy and fulfilling birthing experience. Based on the female-centered Midwifery Model of Care, Ina May’s Guide to Natural Childbirth gives expectant mothers comprehensive information on everything from the all-important mind-body connection to how to give birth without technological intervention. Filled with inspiring birth stories and practical advice, this invaluable resource includes: • Reducing the pain of labor without drugs--and the miraculous roles touch and massage play • What really happens during labor • Orgasmic birth--making birth pleasurable • Episiotomy--is it really necessary? • Common methods of inducing labor--and which to avoid at all costs • Tips for maximizing your chances of an unmedicated labor and birth • How to avoid postpartum bleeding--and depression • The risks of anesthesia and cesareans--what your doctor doesn’t necessarily tell you • The best ways to work with doctors and/or birth care providers • How to create a safe, comfortable environment for birth in any setting, including a hospital • And much more Ina May’s Guide to Natural Childbirth takes the fear out of childbirth by restoring women’s faith in their own natural power to give birth with more ease, less pain, and less medical intervention.

doctors, and nursing mothers as the definitive word on breastfeeding. The culmination of 60-plus years of hands-on experience from three dedicated and internationally respected authors, this newly updated classic blends academic knowledge, clinical expertise, and practical skills to educate first-time and experienced mothers alike. Mothers will find precisely the information they need to help their babies grow and thrive-physically and emotionally-as a result of breastfeeding. The book answers all questions a new mother may have, and it is fully illustrated with dozens of helpful photos and drawings that demonstrate all the dos and don'ts of breastfeeding. In addition to the basics, mothers will find tried-and-true solutions to both common and more unusual problems, as well as remedies for babies with special needs. With its sensitive and informed advice, **BESTFEEDING** is a supportive reminder of what women have always known: that breastfeeding is, quite simply, the best way to nourish a baby.

- An illustrated guide to the basics of breastfeeding your baby, with more than 100 photos.
- Topics include the benefits of breastfeeding for both you and your baby; posture and positions; medical and dietary concerns; and causes and solutions to numerous breastfeeding problems.
- Revised and thoroughly updated with new information on feeding multiple babies and adopted babies, and a discussion of the emotional rewards of breastfeeding.
- The first two editions have sold more than 120,000 copies.

This guide can help mothers get breastfeeding right for them and their babies. Includes information on establishing breastfeeding in the early days and weeks and resolving problems quickly and easily. Photos and illustrations.

The Natural, No-Fuss, No-Purée Method for Starting Your Baby on Solid Foods “[Baby-Led Weaning] makes life so much easier.” –The Times, London Baby-Led Weaning explodes the myth that babies need to be spoon-fed and shows why self-feeding from the start of the weaning process is the healthiest way for your child to develop. With baby-led weaning (BLW, for short), you can skip purées and make the transition to solid food by following your baby's cues. At about six months, most babies are ready to join the family at the kitchen table and discover food for themselves. Baby-Led Weaning is the definitive guide to this crucial period in your child's development, and shows you how to help your baby: Participate in family meals right from the start Experiment with food at his or her own pace Develop new abilities, including hand-eye coordination and chewing Learn to love a variety of foods and to enjoy mealtimes Baby-led weaning became a parenting phenomenon in the UK practically overnight, inspiring a fast-growing and now international online community of parents who practice baby-led weaning—with blogs and pictures to prove it! In Baby-Led Weaning, world-leading BLW authority Gill Rapley and early BLW practitioner and coauthor Tracey Murkett deliver everything you need to know about raising healthy, confident eaters.
