Charlie's Almanack:
The Wit and Wisdom of
Charles T. Munger's
worldly wisdom
consists of a set of
mental models framed
as a latticework to help
solve critical business

has been on my reading list for the last couple of years. It took me a six-month sabbatical (and then some) to get through it. This is a testament to the information, lessons, references and stories from Charlie Munger. Fundamentally, this book is an encyclopedia of information on what it takes to be successful
