Reflections: An Oral History of Twin Peaks examines David Lynch and Mark Frost's legendary television series that aired on the ABC network from 1990-91. As the mystery of "Who Killed Laura Palmer?" played out on television sets across the world, another compelling drama was unfolding in the everyday lives of the show's cast and crew.

Reflections: An Oral History of Twin Peaks by Brad Dukes

RECLAIMING history. Reflections is excited to announce the release of the Latinx Oral History Initiative's Guidebook, a report on UVA's Latinx history and implications for future change at the University of Virginia. Read the Guidebook and our alumni reflections here. OUR Most recent LATINX REFLECTION...

Reflections - UNCOVERING stories. RECLAIMING history.

Understanding the narrative within context is an important feature of oral history (Summerfield, 2004: 67). Oral histories are therefore understood to be a mechanism for helping us to understand the cultural milieu in which individual events were experienced, rather than a means of capturing the 'general experiences' of a population. Oral histories and interview relationships. Oral histories are usually captured through the use of an interview process.

about — Reflections

Reflections: An Oral History of Twin Peaks Now this was really interesting. Composed almost entirely of quotes from the cast, crew, and television executives that helped to bring "Twin Peaks" to the air, Brad Dukes' book is full of great insight and juicy behind-the-scenes-gossip (Sherilyn Fenn, a.k.a. Audrey Horne, doesn't hold back when giving her opinion on either the show's failings or her fellow castmates).

Oral History Reflection I am a people person. One of the things I really enjoy is learning about people and their stories. Maybe that's why I'm so drawn to reading biographies and autobiographies of famous and not so famous people.
