Jean Renoir's memoir of his father's life is a tender hearted hagiography more than it is a linear biography. it is a book that could only have been written by a loving son. It is intimate as one would expect from a book written by a family member and at times Jean Renoir strays off to explain some relationship or episode in language that suggested to me that he was being flooded with memories as he wrote.

"Renoir, my Father" by Jean Renoir Posted on September 4, 2017 by Talking Pictures in What Meets the Eye I never used to like Renoir. I suppose I agreed with Degas (who I now find is an anti-Semite—and Renoir too, oh well, a little more about that later)—who called his style “as puffy as cotton wool.”
