Smoalems J Princes Survival Of Mr Leslau believes that the princes became distinguished adults in the reign of Henry VIII and their true identities were kept secret. The elder of the two, Edward V, took the guise of Sir Edward Guildford, he says, and was passed off as the eldest son of Sir Richard Guildford, Comptroller to the Royal Household,...

The princes of Orange have to be brought into any consideration of the role of the province of Holland in the politics of the Dutch Republic because they, not any or all of the other provinces, were its main rivals for the leadership of the state throughout the 17th century and, indeed, throughout the whole history of the Republic. What makes this structural opposition particularly intriguing ...

Bells rang up and down the Spanish countryside, relaying the message. Ringing tidings of joy. The prince[1] was saved. He had recovered from the illness which had stricken him after attending Vespers on the eve of the second anniversary of her Majesty, D. Isabel's death. [1] Prince Baltasar Carlos died on 9 October 1646, here he has survived.
