the two terms are interchangeable in strategic planning, but they ' re not. According to strategy guru Michael Porter, “ Competitive strategy is about being different. It means deliberately choosing a different set of activities to deliver a unique mix of value. ”

Strategic Planning: Strategy vs. Tactics - dummies

Strategy and tactics work together as means to an end. If your strategy is to climb a mountain, one key component of your strategy might be to decide which side of the mountain you should climb. Your tactics would be the gear you ' d buy, who you ' d bring with you, your complete trip plan, how long it would take to get there, what season you ' d go in, and so on.

Strategy Vs. Tactics: The Main Difference & How to Track ...

The following are the major differences between tactics and strategy: Tactics are the properly organized actions that help to achieve a certain end. The strategy is the integrated plan that ensures the achievement of organization objectives. Tactics is a subset of strategy, i.e. without the strategy, tactics can do nothing. Tactics try to find out the methods through which strategy can be implemented.

strategy and tactics by looking at the characteristics of marketing strategy, which distinguish it from tactics. I ' ll give examples that help show the difference between the two based on essential strategic activities. 1.

Marketing strategy vs tactics - why the difference matters ... It can be one of the most tiring tactics to implement for players, as they are required to get in the faces of the opposition for a full 90-minutes, but it's rewards can be huge. Defending starts at the very top of the pitch, so select a striker who is unselfish, mobile, and doesn't mind getting involved in the physical side of the game.
