Vital new support for young people leaving care - GOV.UK

Once you have had an assessment, the local authority must set out how it will meet your eligible needs in a “care and support plan”. Care and support plans. A care and support plan is a detailed document setting out what services will be provided, how they will meet your needs, when they will be provided, and who will provide them. You are entitled to see a copy of your care and support plan and the local authority should make sure that you are happy with it before it is finalised.
