Anyone who owns a Suzuki 4x4, and wonders what it is REALLY capable of, needs this book. It illustrates in intimate detail, with the aid of 175 colour photographs and diagrams, what each model can do and how to modify it in stages to maximise its off-road potential. The book also covers practical factors, such as choice of tyres, gearing selection and modification for various purposes. In addition, it explores the history and evolution of the marque and sets out the skills required to carry out the various procedures. As ever, this is presented in the well illustrated, easy to follow SpeedPro style. Get the most out of your Suzuki 4x4.

A guide to engine rebuilding includes discussions of removal, parts identification, cylinder head reconditioning, and engine assembly

A collaborator with Warner Brothers and Paramount in the early days of sound film, the German film director Ernst Lubitsch (1892-1947) is famous for his sense of ironic detachment and for the eroticism he infused into such comedies as *So This Is Paris* and *Trouble in Paradise*. In a general introduction to his silent and early sound films (1914-1932) and in close readings of his comedies, Sabine Hake focuses on the visual strategies Lubitsch used to convey irony and analyzes his contribution to the rise of classical narrative cinema. Exploring Lubitsch's depiction of femininity and the influence of his early German films on his entire career, she argues that his comedies represent an important outlet for dealing with sexual and cultural differences. The readings cover *The Oyster Princess*, *The Doll*, *The Mountain Cat*, *Passion*, *Deception*, *So This Is Paris*, *Monte Carlo*, and *Trouble in Paradise*, which are interpreted as part of an underlying process of negotiation between different modes of representation, narration, and spectatorship--a process that comprises

the conditions of production in two different national cinemas and the ongoing changes in film technology. Drawing attention to Lubitsch's previously neglected German films, this book presents the years until 1922 as the formative period in his career.

Renowned engine builder and technical writer David Vizard turns his attention to extracting serious horsepower from small-block Chevy engines while doing it on a budget. Included are details of the desirable factory part numbers, easy do-it-yourself cylinder head modifications, inexpensive but effective aftermarket parts, the best blocks, rotating assembly (cranks, rods, and pistons), camshaft selection, lubrication, induction, ignition, exhaust systems, and more.

A Collection of Thoughts, Sayings and Meditations on the Way of the Samurai "It is said that what is called "the spirit of an age" is something to which one cannot return. That this spirit gradually dissipates is due to the world's coming to an end. For this reason, although one would like to change today's world back to the spirit of one hundred years or more ago, it cannot be done. Thus it is important to make the best out of every generation." — Tsunetomo Yamamoto, Hagakure: The Book of the Samurai A formerly secret text known only to the Samurai, Hagakure is a classic text on Bushido--the Way of the Warrior. More than just a handbook for battle, Hagakure is a text that filled with teachings that still apply in business, political and social situations today. This Xist Classics edition has been
