Absolutist - John Boyne

I became an admirer of John Boyne ' s writing with his first novel, *The Thief of Time*. His latest, *The Absolutist*, is a novel of immeasurable sadness, in a league with Graham Greene's *The End of the Affair* and a no less masterful handling of the first-person narrative voice than Michael Ondaatje's *The Cat's Table*.

THE ABSOLUTIST - BBC

'The Absolutist' by John Boyne. Author: Sandy Leonard. July 16, 2012. Is it true that behaviors we dislike in others are the very ones we detest in ourselves? The characters in John Boyne's *The Absolutist* (Other Press) would vehemently deny this. But actions speak louder than lies in this atmospheric novel that tracks a handful of guilt-ridden and self-questioning characters from the trenches of World War I to the poseur-filled publishing houses of Thatcher-era London.

'The Absolutist' by John Boyne | Lambda Literary

John Boyne was born in Ireland in 1971. He is the author of eleven novels for adults, six for younger readers and a collection of short stories. I am spellbound by such a great piece of art as this. Set amidst the First World War, this book is about love, jealousy, pain and much more.

September 1919: Twenty-year-old Tristan Sadler takes a train from London to Norwich to deliver a clutch of letters to Marian Bancroft. Tristan fought alongside Marian's brother Will during the Great War. They trained together. They fought together. But in 1917, Will laid down his guns on the battlefield and declared himself a conscientious objector, an act which has brought shame and dishonour on the Bancroft family. The letters, however, are not the real reason for Tristan's visit. He holds a secret deep within him. One that he is desperate to unburden himself of to Marian, if he can only find the courage. Whatever happens, this meeting will change his life – forever.

A masterfully told tale of passion, jealousy, heroism and betrayal set in the gruesome trenches of World War I. It is September 1919: twenty-one-year-old Tristan Sadler takes a train from London to Norwich to deliver a package of letters to the sister of Will Bancroft, the man he fought alongside during the Great War. But the letters are not the real reason for Tristan's visit. He can no longer keep a secret and has finally found the courage to unburden himself of it. As Tristan recounts the horrific details of what to him became a senseless war, he also speaks of his friendship with Will--from their first meeting on the training grounds at Aldershot to their farewell in the trenches of northern France. The intensity of their bond brought Tristan happiness and self-discovery as well as confusion and unbearable pain. The Absolutist is a masterful tale of passion, jealousy, heroism, and betrayal set in one of the most gruesome trenches of France during World War I. This novel will keep readers on the edge of their seats until its most extraordinary and unexpected conclusion, and will stay with them long after they've turned the last page.

Named Book of the Month Club's Book of the Year, 2017 Selected one of New York Times Readers ' Favorite Books of 2017 Winner of the 2018 Goldsboro Books Glass Bell Award From the beloved New York Times bestselling author of The Boy In the Striped Pajamas, a sweeping, heartfelt saga about the course of one man's life, beginning and ending in post-war Ireland Cyril Avery is not a real Avery -- or at least, that's what his adoptive parents tell him. And he never will be. But if he isn't a real Avery, then who is he? Born out of wedlock to a teenage girl cast out from her rural Irish community and adopted by a well-to-do if eccentric Dublin couple via the intervention of a hunchbacked Redemptorist nun, Cyril is adrift in the world, anchored only tenuously by his heartfelt friendship with the infinitely more glamorous and dangerous Julian Woodbead. At the mercy of fortune and coincidence, he will spend a lifetime coming to know himself and where he came from - and over his many years, will struggle to discover an identity, a home, a country, and much more. In this, Boyne's most transcendent work to date, we are shown the story of Ireland from the 1940s to today through the eyes of one ordinary man. The Heart's Invisible Furies is a novel to make you laugh and cry while reminding us all of the redemptive power of the human spirit.

Re-creates an infamous serial killer case involving the 1910 Scotland Yard investigation into the murder of Bella Elmore, whose body is discovered in the cellar of her husband and killer Hawley Crippen, a doctor who has fled in disguise along with his mistress on a cruise ship bound for America. Reader's Guide included. Reprint. 30,000 first printing.

From the author of the phenomenally bestselling *The Boy in the Striped Pajamas* comes an unforgettable story of a boy's life changed by war, published to coincide with World War One's centenary. The day the First World War broke out, Alfie Summerfield's father promised he wouldn't go away to fight -- but he broke that promise the following day. Four years later, Alfie doesn't know where his father might be, other than that he's away on a special, secret mission. Then, while shining shoes at King's Cross Station, Alfie unexpectedly sees his father's name -- on a sheaf of papers belonging to a military doctor. Bewildered and confused, Alfie realises his father is in a hospital close by -- a hospital treating soldiers with an unusual condition. Alfie is determined to rescue his father from this strange, unnerving place...

Part love story, part historical epic, part tragedy, *The House of Special Purpose* illuminates an empire at the end of its reign. Eighty year old Georgy Jachmenev is haunted by his past - a past of death, suffering and scandal that will stay with him until the end of his days. Living in England with his beloved wife Zoya, Georgy prepares to make one final journey back to the Russia he once knew and loved, the Russia that both destroyed and defined him. As Georgy remembers days gone by, we are transported to St. Petersburg in the early 20th century, to the Winter Palace of the Tsar. A time of change, threat and bloody revolution. And as Georgy overturns the most painful stone of all, we uncover the story of the house of special purpose.

A tale inspired by 19th-century ghost story traditions follows the misadventures of Eliza Caine, who accepts a job from an anonymous employer as a governess to two children who she must protect from a malign presence. By the award-winning author of *The Boy in the Striped Pajamas*. Reprint.

“ A satire of writerly ambition wrapped in a psychological thriller . . . An homage to Patricia Highsmith, Oscar Wilde and Edgar Allan Poe, but its execution is entirely Boyne ' s own. ” —Ron Charles, *The Washington Post* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND MINNEAPOLIS STAR TRIBUNE Maurice Swift is handsome, charming, and hungry for fame. The one thing he doesn ' t have is talent—but he ' s not about to let a detail like that stand in his way. After all, a would-be writer can find stories anywhere. They don ' t need to be his own. Working as a waiter in a West Berlin hotel in 1988, Maurice engineers the perfect opportunity: a chance encounter with celebrated novelist Erich Ackermann. He quickly ingratiates himself with the powerful – but desperately lonely – older man, teasing out of Erich a terrible, long-held secret about his activities during the war. Perfect material for Maurice ' s first novel. Once Maurice has had a taste of literary fame, he knows he can stop at nothing in pursuit of that high. Moving from the Amalfi Coast, where he matches wits with Gore Vidal, to Manhattan and London, Maurice hones his talent for deceit and manipulation, preying on the talented and vulnerable in his cold-blooded climb to the top. But the higher he climbs, the further he has to fall. . . . Sweeping across the late twentieth century, *A Ladder to the Sky* is a fascinating portrait of a relentlessly immoral man, a tour de force of storytelling, and the next great novel from an acclaimed literary virtuoso. Praise for *A Ladder to the Sky* “ Boyne's mastery of perspective, last seen in *The Heart's Invisible Furies*, works beautifully here. . . . Boyne understands that it's far more interesting and satisfying for a reader to see that narcissist in action than to be told a catchall phrase. Each step Maurice Swift takes skyward reveals a new layer of calumny he's willing to

engage in, and the desperation behind it . . . so dark it seems almost impossible to enjoy reading *A Ladder to the Sky* as much as you definitely will enjoy reading it. ” —NPR “ Delicious . . . spins out over several decades with thrilling unpredictability, following Maurice as he masters the art of co-opting the stories of others in increasingly dubious ways. And while the book reads as a thriller with a body count that would make Highsmith proud, it is also an exploration of morality and art: Where is the line between inspiration and thievery? To whom does a story belong? ” —Vanity Fair

The riveting narrative of an honorable Irish priest who finds the church collapsing around him at a pivotal moment in its history. Propelled into the priesthood by a family tragedy, Odran Yates is full of hope and ambition. When he arrives at Clonliffe Seminary in the 1970s, it is a time in Ireland when priests are highly respected, and Odran believes that he is pledging his life to "the good." Forty years later, Odran's devotion is caught in revelations that shatter the Irish people's faith in the Catholic Church. He sees his friends stand trial, colleagues jailed, the lives of young parishioners destroyed, and grows nervous of venturing out in public for fear of disapproving stares and insults. At one point, he is even arrested when he takes the hand of a young boy and leads him out of a department store looking for the boy's mother. But when a family event opens wounds from his past, he is forced to confront the demons that have raged within the church, and to recognize his own complicity in their propagation, within both the institution and his own family. A novel as intimate as it is universal, *A History of Loneliness* is about the stories we tell ourselves to make peace with our lives. It confirms Boyne as one of the most searching storytellers of his generation.
