~~The Civic Culture: Political Attitudes and Democracy in ...~~

A civic culture, we have argued, rests upon a set of nonpolitical attitudes and nonpolitical affiliations. Many of these attitudes that we have discussed—general attitudes toward other people, sense of social trust—have little explicit political content, and many of the affiliations we have dealt with—primary group affiliations in particular— are quite distant from the political system.

~~The Civic Culture | Princeton University Press~~

The Civic Culture According to Livingstone, publics and audiences should be regarded in opposition to let one observe their significance and distinctiveness. Although the main remarkable feature of publics in contrast to audiences is their orientation on something shared and collective, the scholars and particularly Livingstone define at least seven more binary differences.

~~The Civic Culture Political Attitudes And Democracy In ...~~

Political culture Political culture may be defined as the political psychology of a country or nation (or subgroup thereof). Political culture studies attempt to uncover deep-seated, long-held values characteristic of a society or group rather than ephemeral attitudes toward specific issues that might

be gathered through public-opinion surveys.
