Book Review at Yesterland: The Disneyland Encyclopedia

It’s been almost five years since the release of The Disneyland Encyclopedia, Second Edition (reviewed here). So now there’s the Third Edition. The book has grown by 24 pages and more than 50 encyclopedia entries—to 528 pages and more than 600 entries. Not only has author Chris Strodder added new Disneyland elements from recent years, he also revised many existing entries, added more than 300 new black-and-white photos, and inserted “Mouscellany” boxes with fun facts throughout the ...

Spanning the entire history of the park, from its founding more than 50 years ago to the present, this fascinating book profiles 500 attractions, restaurants, stores, events, and significant people from the history of Disneyland®. Each of the main entries in the book examines in detail the history of a Disneyland® landmark, including how many of the most popular attractions went through several incarnations before becoming what they are today—Tomorrowland's Hall of Chemistry and Hall of Aluminum were transformed into the groundbreaking Adventure Thru Inner Space in 1967, and then became the popular ride Star Tours 20 years later. Read about unbuilt concepts, including Rock Candy Mountain and Chinatown, and delight in fascinating trivia about the park, such as ride statistics and attendance records. With a daily list of events, openings, and closings in the park's history, a yearly summary of attractions that came and went, simple and clear maps that correspond to the book's 500 entries, and sidebars with additional information on each ride, this is a comprehensive and entertaining book overflowing with detail on the most-renovated, most-loved, and most-visited theme park in the world.

The Disneyland Book of Lists offers a new way to explore six decades of Disneyland® history. Hundreds of fascinating lists cover the past and present and feature everything from the park's famous attractions, shops, restaurants, parades, and live shows to the creative artists, designers, characters, and performers who have made Disneyland® the world's most beloved theme park. Inside the pages of this fun- and fact-filled book you will find:

- 13 of Walt Disney's Disneyland® Favorites
- 32 Signs and Structures Reminding of Disneyland's® Past
- A Dozen Scary Moments on Disneyland® Attractions
-

47 Disneyland® Parades • 18 Secrets in the Haunted Mansion • 30 Jokes from the Jungle Cruise • 25 Special Events You May Not Have Heard Of • 15 Urban Legends • 123 Celebrity Guests • 26 Attractions and Exhibits with the Longest Names • 11 Movies Based on Disneyland® Attractions • A Dozen World Records Set at Disneyland® In addition to lists created by author Chris Strodder (The Disneyland® Encyclopedia), the book will include lists from celebrities, Disneyland® experts and historians, Disneyland® Imagineers and designers, and other current and former Disneyland® employees. People have been making lists since Biblical times (think Seven Wonders of the Ancient World, compiled 2,100 years ago), and to this day various top tens, hit parades, and bucket lists chronicle every aspect of our lives. But until now, no book has used lists to categorize all the diverse elements in Disneyland®. Fun, fascinating, factual, and sixty years in the making, The Disneyland® Book of Lists is the only Disneyland® book of its kind.

"A guide to the flora, fauna, and fun of the world's greatest theme park"--Cover.

line on an average day, so there's time for relaxing by the hotel pool.

Attractions, Restaurants, Shops and More: Part In The Original Magic Kingdom

Spanning the entire history of the park, from its founding more than 50 years ago to the present, this fascinating book explores 500 attractions, restaurants, stores, events, and significant people from Disneyland. Each of the main encyclopedia entries illuminates the history of a Disneyland landmark, revealing the initial planning strategies for the park's iconic attractions and detailing how they evolved over the decades. Enriching this unique A-to-Z chronicle are profiles of the personalities who imagined and engineered the kingdom known as "The Happiest Place on Earth." Discover unbuilt concepts, including Liberty Street, Rock Candy Mountain, and Chinatown, and delight in fascinating trivia about long-lost Disneyland features, from the real rifles in the shooting gallery that used to be located on Main Street to the jet-packed Rocket Man who flew above Tomorrowland. Overflowing with meticulously researched details and written in a spirited, accessible style, The Disneyland Encyclopedia is a comprehensive and entertaining exploration of the most-influential, most-renovated, and most-loved theme park in the world!

Walt Disney was fond of saying, "I only hope that we never lose sight of one thing: that it was all started by a mouse." And so it is only appropriate that the mouse is incorporated into nearly every aspect of the Disney parks and resorts. In some cases, Mickey's presence is obvious—as in the Partners statue that stands in the center of the hub at the end of Main Street, U.S.A. But in other cases, Mickey's influence is a bit more hidden. . . . So what exactly is a Hidden Mickey? Quite simply, it's an artistic representation of Mickey that was intentionally placed amid the architecture and design of the parks and resorts. Oftentimes it's the familiar three-circle shape of his ears and head. Other times it might be a profile of

Read PDF The Disneyland Encyclopedia The Unofficial Unauthorized And Unprecedented History Of Every Land

his face or a full-body silhouette. Disneyland Guests with keen eyes can tell you that Mickey pops up all over the resort, often in the most unexpected places. With this resort wide scavenger hunt, you'll be guided toward each Hidden Mickey, first with a general hint—if you're up for a challenge—and then with a very specific clue. It's so much search-and-find fun, you might forget about your FastPass reservation for Big Thunder Mountain Railroad!

When the first Disneyland opened its doors in 1955, it reinvented the American amusement park and transformed the travel, tourism and entertainment industries forever. Now a global vacation empire, the original park in Anaheim, California, has been joined by massive complexes in Florida, Tokyo, Paris, Hong Kong and Shanghai. Spanning six decades, three continents and five distinct cultures, Sabrina Mittermeier presents an interdisciplinary examination of the parks, situating them in their proper historical context and exploring the distinct cultural, social and economic landscapes that defined each one at the time of its construction. She then spotlights the central role of class in the subsequent success or failure of each venture. The first comparative study of the Disney theme parks, this book closes a significant gap in existing research and is an important new contribution to the field, providing the first discussion of the Disney parks and what they reveal about the cultures they are set in. There has been a lack of focus on cross- and trans-cultural analyses of theme parks generally and Disney theme parks specifically, until now. It is also particularly interesting – and will be welcomed for it – for the non-United States context of the study. This is a thorough examination of all of the existing Disney Parks and how they function within their respective cultures. While Disney themes and characters attempt to be universal, the author does a good job of arguing for where this is not possible and how glocalization is crucial to the parks' successes. The writing is academic, but it is not inaccessible. It will have wide

Read PDF The Disneyland Encyclopedia The Unofficial Unauthorized And Unprecedented History Of Every Land

disciplinary appeal within academia, as tourism studies cross into a variety of fields including history, American studies, fandom studies, performance studies and cultural studies. It will be invaluable to those working in the field of theme park scholarship and the study of Disney theme parks, theme parks in general and related areas like world's expositions and spaces of the consumer and lifestyle worlds. It will also be of interest to Disney fans, those who have visited any of the parks or are interested to know more about the parks and their cultural situation and context.
