A brief summary of The Infinite Moment of Us: Girl decides to stop living for her parents. Girl meets guy. Girl decides to start living for guy instead. In a brief foreword by the author, Myracle promises that The Infinite Moment of Us is a love story exploring true intimacy and vulnerability and the mingling of Charlie and Wrens souls. Unfortunately, I found the love story forgettable and the connection between the two main characters weak.

Lauren Myracle's The Infinite Moment of Us is a story of summer romance between two recently graduated high school seniors. Wren, striving to be a perfect daughter, has always fulfilled her parents' every wish of her. She has achieved all A's and acceptance into a prestigious college's med program, but finds herself torn between wanting

For as long as she can remember, Wren Gray's goal has been to please her parents. But as high school graduation nears, so does an uncomfortable realization: Pleasing her parents once overlapped with pleasing herself, but now . . . not so much. Wren needs to honor her own desires, but how can she if she doesn't even know what they are? Charlie Parker, on the other hand, is painfully aware of his heart's desire. A gentle boy with a troubled past, Charlie has loved Wren since the day he first saw her. But a girl like Wren would never fall for a guy like Charlie—at least not the sort of guy Charlie believes himself to be. And yet certain things are written in the stars. And in the summer after high school, Wren and Charlie's souls will collide. But souls are complicated, as are the bodies that house them . . . Sexy, romantic, and oh-so-true to life, this is an unforgettable look at first love from one of young adult fiction's greatest writers. Lauren Shippen's *The Infinite Noise* is a stunning, original debut novel based on her wildly popular and award-winning podcast *The Bright Sessions*. Caleb Michaels is a sixteen-year-old champion running back. Other than that his life is pretty normal. But when Caleb starts experiencing mood swings that are out of the ordinary for even a teenager, his life moves beyond "typical." *Caleb* is an Atypical, an individual

with enhanced abilities. Which sounds pretty cool except Caleb's ability is extreme empathy—he feels the emotions of everyone around him. Being an empath in high school would be hard enough, but Caleb's life becomes even more complicated when he keeps getting pulled into the emotional orbit of one of his classmates, Adam. Adam's feelings are big and all-consuming, but they fit together with Caleb's feelings in a way that he can't quite understand. Caleb's therapist, Dr. Bright, encourages Caleb to explore this connection by befriending Adam. As he and Adam grow closer, Caleb learns more about his ability, himself, his therapist—who seems to know a lot more than she lets on—and just how dangerous being an Atypical can be. “What if the X-Men, instead of becoming superheroes, decided to spend some time in therapy?” (Vox on The Bright Sessions) At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

On a rainy night in Philadelphia's Ninth Street Market, sixteen-year-old Fiora, newly-orphaned by the 1918 influenza epidemic, is dumped at an old man's door. Daughter of the local fortune teller, Fiora arrives with a little money, a lot of attitude, and her mother's formidable reputation. The old man, a widowed shoemaker ticking down his clock, is the only person in their superstitious immigrant community brave enough to stand between Fiora and an orphanage. Fiora's a modern, forward-thinking young woman, uninterested in using old-world magic to make a way for herself—but when her mother's magical curtain shows her that the old man will shortly die of a heart attack, Fiora panics, and casts her entire neighborhood into a stagnant bubble of time. A bubble where

everything continues but nothing progresses?tomatoes won't ripen, babies refuse to be born, and the sick suffer under the weight of a never-ending stream of unspent seconds. Not everything in the bubble is bad. Love, fresh and fascinating, ignites. Friendships take root. But as day drags into interminable day, the pressure inside the bubble world builds. Fiora must accept that not everything found can be kept, not everything saved will remain, and unless Fiora finds the courage to collapse the bubble, every one of her hopes will be trapped inside an unbearable, unyielding, unpredictable, and infinite Now.

By the author of the critically acclaimed *Wild Awake*, a beautiful coming-of-age story about deep friendship, the weight of secrets, and the healing power of nature. It's senior year of high school, and Annabeth is ready—ready for everything she and her best friend, Noe, have been planning and dreaming. But there are some things Annabeth isn't prepared for, like the constant presence of Noe's new boyfriend. Like how her relationship with her mom is wearing and fraying. And like the way the secret she's been keeping hidden deep inside her for years has started clawing at her insides, making it hard to eat or even breathe. But most especially, she isn't prepared to lose Noe. For years, Noe has anchored Annabeth and set their joint path. Now Noe is drifting in another direction, making new plans and dreams that don't involve Annabeth. Without Noe's constant companionship, Annabeth's world begins to crumble. But as a chain of events pulls Annabeth further and further away from Noe, she finds herself closer and closer to discovering who she's really meant to be—with her best friend or without. Hilary T. identity, loss, and the bonds of friendship.

Set in depleted, post-recession suburbia, with its endlessly interlocking cul-de-sacs, mega-parking lots and big box stores, *The Infinite Tides* tells the story of star astronaut Keith Corcoran's return to earth. Keith comes home from a lengthy mission aboard the International Space Station to find his wife and daughter gone, and a house completely empty of furniture, as if Odysseus had returned to Ithaca to find that everyone he knew had forgotten about him and moved on. Keith is a mathematical and engineering genius, but he is ill equipped to understand what has happened to him, and how he has arrived at the center of such vacancy. Then, he forges an unlikely friendship with a neighboring Ukrainian immigrant, and slowly begins to reconnect with the world around him. As the two men share their vastly different personal and professional experiences, they paint an indelible and nuanced portrait of modern American life. The result is a deeply moving, tragicomic and ultimately redemptive story of love, loss and resilience, and of two lives lived under the weight of gravity.

In this suspenseful, tender, and completely absorbing debut set in a perilous post-Katrina New Orleans and cartel-plagued Mexico, two teenagers discover a temporary haven in each other. *The Infinite* is that rare, beautiful first novel, so contemporary and yet as timeless as first love itself. And Nick Mainieri does what great novelists do with their first great works. He creates unforgettable characters in young lovers Jonah and Luz who, both together and alone, navigate the rushing river of the borderlands that mark our two Americas. *The Infinite* is a heart song, and Nicholas Mainieri is one of our next great storytellers. *Joseph Boyden, author of The Orenda and Three Day Road* Jonah McBee has deep roots in

New Orleans, but with hardly any family left, he half-heartedly is planning to enlist in the army after high school. And when Jonah and Luz fall in love, it is intense, addictive, and real. But everything changes when Luz discovers that she's pregnant. In a moment of panic, her father sends Luz back to Mexico so her grandmother can help raise the baby. Devastated, Jonah decides to take a road trip with his best friend when he doesn't hear from her. Little does Jonah know, Luz is fighting for her life. Her trip has been cut short by a shocking act of violence, thrusting her into the endless cycle of bloodshed perpetrated by the cartels.
