I got problem with oil pressure on my 07 (D12 engine

...

Volvo Truck North America recommends the use of Volvo's VDS-2 oil, severe duty or EO-N premium plus, in their VE D12 engines. A complete oil change would require 34 quarts. The oil is filtered by one bypass and two full flow oil filters while in use. Recommended oil change service intervals are at 12,000, 15,000 and 25,000 miles.

What are the Specifications of a VED 12 Engine? | It Still ...

The Volvo D12 has been in service worldwide for a number of years with pretty good results. The VED12 has a nifty exhaust brake that will help maintain engine temperatures at low idle, meaning you won't have to fast idle the engine to maintain sufficient combustion chamber temperatures.
