See also the February 2006 EPI/Cornell University Press book, Worker Centers—Organizing Communities at the Edge of the Dream. Millions of immigrants, African Americans, and other people of color labor on the lowest rungs of metropolitan labor markets with limited prospects for improving the quality of their present positions or advancing to better jobs.

Worker centers: Organizing communities at the edge of the ...

Worker centers are non-profit community-based mediating organizations that organize and provide support to communities of low wage workers who are not already members of a collective bargaining organization (such as a trade union) or have been legally excluded from coverage by U.S. labor laws. Many worker centers in the United States focus on immigrant and low-wage workers in sectors such as restaurant, construction, day labor and agriculture.
